Shapelets! KEVA planks!

Heard about those Silly Bandz? Sure you have, but those aren't creative enough for our DI kids! Where's the fun in something that someone else designed?

So we've brought you Shapelets--a chance to create your own wild and zany design for a wrist band! Come to room C126, and let your creativity run wild!

But wait, there's more! KEVA planks, a provider of high quality building blocks, has sent us their DI / KEVA Tournament Road Show, which will be in room D152.

We'll have hundreds of small wooden planks, along with a few ideas for things to build that will help get you started. We can't wait to see what your team will create!

IMPORTANT NOTICE FOR ALL GRADUATING HIGH SCHOOL SENIORS

If you're a high school senior, or already beyond high school, please help us stay in touch by filling out an Alumni Information form at the Information Table, and consider giving back to the program next year!

Today, we hope that you spend a moment thinking about all that you've gained from participating in DI. Remember, DI doesn't have to end with graduation!

Don't forget to visit the alumni page at our website (<http://nh-di.org/about/alumni>), and be sure to join the NH DI alumni group on Facebook!
