Two-Hour Volunteer Assignments - 2013 Kingston Regional Tournament

Please ask your volunteer to check in at the Information Table shortly before the starting time for their assignment, which is shown in the Start Time column. If their replacement fails to show up, please notify the volunteers at the Info Table immediately, or flag down an official. We don't want a parent to miss their child's performance! It's perfectly OK to send a substitute volunteer if necessary, but please make sure they know who they're replacing when they check in.

Some two-hour volunteers have been assigned to two different jobs that will each last for one hour. If that's the case, there will be two separate entries for your team. You'll need to make sure that your volunteer knows about BOTH assignments!
