

PROJECT OUTREACH®

SERVICE LEARNING CHALLENGE

Project Outreach empowers youth to make a positive impact on their communities. Here are the successes achieved by Project Outreach teams that made a difference:

- The chopsticks44 team from Bridlemile Elementary in Portland, OR, created a program to combat school bullying.
- A team from Trophy Club, TX, created a fundraising campaign that supplied more than 500 iPods and MP3 players for music therapy programs to two children's hospitals in their community.
- The Wilson Word Rappers team from the Neal Math and Science Academy in North Chicago, IL, taught themselves how to read, and then created a rap song to teach their friends how to read too.

MAKE A DIFFERENCE IN YOUR COMMUNITY

The Service Learning Challenge is designed to engage students in community service to address real community issues through personal expression.
