

Two-Hour Volunteer Assignments - 2014 NH State Tournament

Please ask your volunteer to check in at the Information Table shortly before the starting time for their assignment, which is shown in the Start Time column. If their replacement fails to show up, please notify the volunteers at the Info Table immediately, or flag down an official. We don't want a parent to miss their child's performance!

Your two-hour volunteer must be one person for two hours, not a succession of different people sharing the assignment. Some jobs take a little while to learn. If the volunteers assigned to these jobs only stay for a short time, it makes things much harder for the person who is responsible for that area.

If your volunteer can't make it, just ask another adult to substitute for them. It's better if they know who they're replacing, because this makes it easier for us to figure out where to send them after they check in. If there is a question mark listed instead of a name, it's because we don't know the name of your volunteer. Your team is still responsible for sending someone to fill the job!
