

## Two-Hour Volunteer Assignments - 2016 NH State Tournament

Please ask your team's volunteer to check in at the indicated location a few minutes before their start time. We will check them off on the assignment list that will be posted at the Information Table, and then send them to their assigned job.

If your volunteer's replacement fails to arrive on time, or if we accidentally scheduled them to work during their child's performance, notify a tournament official. We don't want any parent to miss their child's performance!

Your two-hour volunteer must be **one person for two hours**, and not a succession of different people sharing the assignment. Some jobs take a little while to learn. If the volunteers assigned to these jobs only stay for a short time, it makes things much harder for us!
