

Two-Hour Volunteer Assignments - 2017 NH State Tournament

(Revised 3/29/2017)

Please ask your team's volunteer to check in at the indicated location a few minutes before their scheduled start time.

If your volunteer's replacement fails to arrive on time, or if we accidentally scheduled them to work during their child's performance, notify a tournament official. We don't want any parent to miss their child's performance!

Your two-hour volunteer must be **one person for two hours**, not many different people sharing the assignment. Some jobs take a little while to learn. If the volunteers assigned to these jobs change constantly, it makes things much harder for us!
